

## **Guidelines for Candidates attending the MCA Entrance Examination-2021**

1. Candidates must maintain social distancing at every point and must wear mask throughout the examination.
2. They are not allowed to exchange or loan articles inside examination room.
3. Candidates can bring their own water bottles, gloves, face shield and sanitizer.
4. Candidates should not throw used tissue/face mask etc in the venue premises. They should observe the Green Protocol as well.

### **For COVID-19 positive candidates**

1. COVID positive candidates should intimate the chief superintendent of the concerned examination centre at least two days before the examination. They should submit the copies of the following documents to the chief superintendent.
  - a) COVID positive certificate.
  - b) Consent certificate from the Dept. of Health to travel and write the test.
2. Separate rooms will be arranged for COVID positive candidates to write the examination. They need not wear PPE kits. They should follow all other precautionary steps as mandated by the Government from time to time.
